personal writing can be risky for anyone but for military veterans especially those suffering from post traumatic stress sharing stories can trigger painful and disturbing flashbacks writing is also risky for the ego it is one thing to write a military story especially one based on authentic experiences it is quite another to muster the courage to share that story with others for critique and feedback award winning journalist and author tracy crow presents a roadmap for writing an authentic persuasive military story drawing from her personal experiences and those of other veteran writers and from the insights of noteworthy writing and teaching professionals on point is the guide crow wishes she d had when she first began writing about her military experience no previous writing guide specifically addresses the unique challenges and rewards facing soldiers who want to craft their military story with courage and candor

in june 2011 the city of minot north dakota sustained the greatest flood in its history rather than buckling under the immense weight of the flood on a personal and community level government civic groups and citizens began to immediately assess and address the event s impacts why did the disaster in minot lead to government and community resilience whereas during hurricane katrina the non resilience of the government and community of new orleans resulted in

widespread devastation this book seeks to answer that question by examining how local government institutions affect pre and post disaster community and business resilience utilizing both survey methods and interviews atkinson analyzes the disasters that occurred in new orleans louisiana palm beach county florida and minot north dakota he argues that institutional culture within local government impacts not only the immediate outcomes experienced during response but the long term prognosis of recovery for a community outside the walls of city hall understanding tendencies within a community that lead to increased vulnerability of both individuals and businesses can lead to shifts in governmental community priorities and potentially to improved resilience in the face of hazard events relevant to scholars of public administration disaster researchers and government officials this book contributes to a growing literature on community and business resilience it explores not just the devastation of natural disasters but profiles governmental impacts that led to responsive and able processes in the face of disaster

agricultural policy in disarray provides fascinating detailed and contemporary evidence of how rent seeking by small well organized interest groups results in government policies that do little good and much harm
